

December 26, 2020

Solunesco

1818 Library Street, Suite 500

Reston, Va. 20190

Christmas morning was bitterly cold but 252 little children in Charlotte County were warmed by blankets, snug in a new sweater, had a cuddly stuffed animal to hold onto, some delicious snacks, gloves, socks and three new toys, all thanks to the generosity of people like you. We were even able to have a drawing of 20 new bikes.

On behalf of the Charlotte County Christmas Parents Committee, which operated again this year under the Salvation Army, we thank you for your tax-deductible donation to this effort in the amount of \$2000. We acknowledge that you received no goods or services for this contribution.

If you asked to remain anonymous, your name will not appear on Facebook or in the newspaper ad. Whether we can share your name or not, the little children experienced great joy because of your gift.

The pandemic caused many things to be cancelled or scaled back in our community but generous donors like you, coupled with faithful volunteers, would not let COVID-19 defeat the efforts of the Charlotte County Christmas Parents. Much has changed but this Christmas the little children in need once again felt the love of their community. Thank you for being such an such important part of this effort. The beauty of the holiday season lives on.
